REQUEST FOR RECONSIDERATION OF PATENT TERM ADJUSTMENT

Sir,

The patent term adjustment indicated in the notice of allowance is in error. There is no basis for 70 days charged against the patent term. The correct Patent Term Adjustment is 324 days.

Following is the required statement of facts:

- The patent term adjustment of 331 days, based on 37 CFR § 1.703, as determined by the PTO, is correct;
- The Reduction of 7 days under § 1.704. for a period of time during which applicants failed to engage in reasonable efforts to conclude prosecution is correct. However, there is no justification for the 70 day reduction due to "Supplemental Papers-Oath or Declaration".;
- The patent is not subject to a terminal disclaimer;
